

"She's in Love"

from Disney's *The Little Mermaid*

Note from the MD: This part is slightly different than how it appears on the Original Broadway Cast Recording. Please do your best to sing what is on the page, and feel free to riff at the end of the song, as written.

Flounder

SHE'S IN LOVE! She's in love!

She's in love! Plain to see,

No mis-take! Look at those moon-beams in her wake.

Ob-vi-ous what they must be symp-toms of... She's in love!

She's in love! She's in love!

love! ^{+ riffs} Yeah, yeah!
